Flaggningsmeddelande i Community Entertainment AB

På uppdrag av Danske Bank offentliggör AktieTorget följande flaggningsmeddelande:

After the completion of the recent share issue and following conversion of BTUs into regular shares, the Danske Bank Group (also representing Danica Pension Sverige) hereby discloses a 31,08 % ownership of both shares and votes in Community Entertainment. As of July 27th the Group holds 621.264 shares in the company.

Prior to the share issue the Group held 467.122 ordinary shares and accordingly added to this number by subscribing for 154.142 new shares.

The last time the Group held more than 30 % of the shares was in December 2015 and like then, the Group most likely intends to sell shares in order to cross the 30 % threshold downwards, before triggering a mandatory bid. This will take place during the month of August.
